Print only this page first to check accuracy. The Mood square above should measure 2 inches. Print “actual size” in “portrait” mode (not auto center). Formatted for both US Letter & A4 paper sizes.

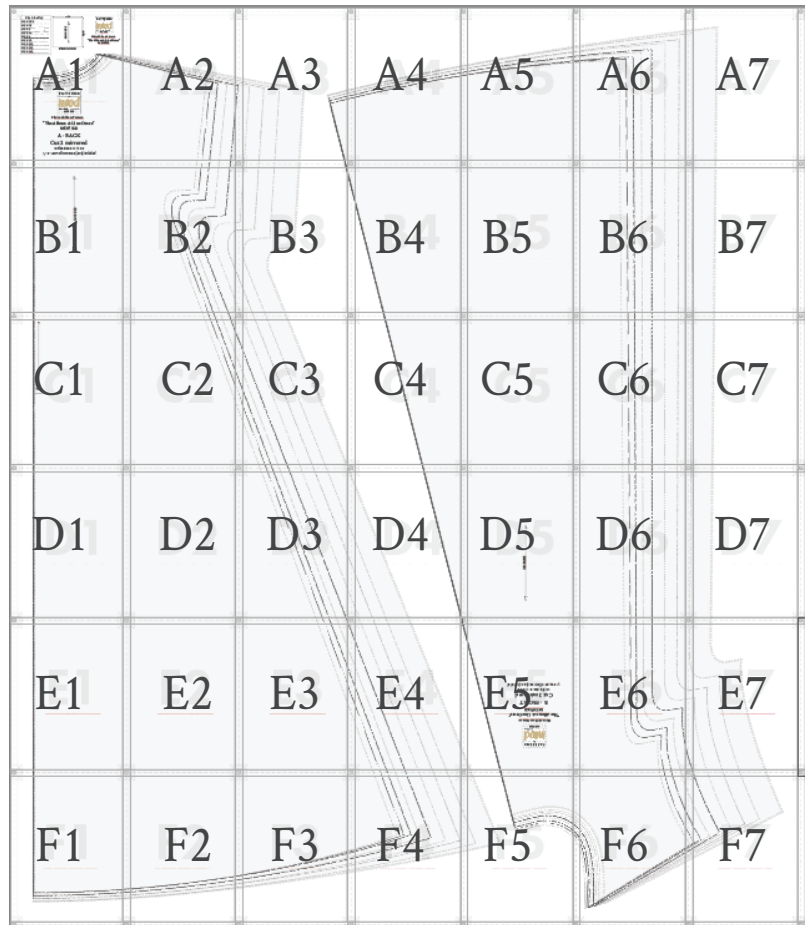

## Formatted for both US Letter & A4 Paper

**Trimless Option:** This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

**Trimmed Option:** This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

**Tip!** Build rows first, then join the rows together as you go.
